

Summer Vet Camp

With Los Sueños Veterinary Group (ABQ Mobile Vet and Eubank Animal Clinic)

Have a child who loves animals? Does your son/daughter dream of becoming a veterinarian or a scientist? Are you hoping to provide an educational, fun experience in a safe, loving environment? If so, this may be the camp for your child!

Dr. Ashlee Andrews is a veterinarian and the owner of ABQ Mobile Vet and Eubank Animal Clinic and an associate veterinarian at Blue Cross Animal Clinic. She is also the mother of six children ranging in age from 18 months to 16 years old. She is CPR certified (infant, child and adult) and has current police and social service background checks. She looks forward to sharing her love of animals and her passion for veterinary medicine with your child!

Typical camp days include field trips to veterinary clinics/animal care facilities/ranches/dairies, short presentations, games, crafts and outdoor activities. Past field trips include behind the scenes with the zoo veterinarian at the ABQ Bio Park, tours of veterinary emergency clinics, tours of dairies, visits to alpaca farms, tours of Animal Humane, observing surgery at local veterinary clinics and much more!

Available camp sessions for summer 2017 are listed below. All camps are first come first serve but a waiting list is available. A \$50 non-refundable deposit per child per session is required to hold your spot and the balance will be due on the first day of camp (or may be paid in full at time of registration). A sibling discount of \$25 per session for each additional child enrolled is available.

A few scholarships may be available for interested children whose families cannot afford the camp experience.

Camp days will typically start and end at our office, located at 1601 Eubank Blvd NE (unless noted otherwise in the itinerary that will be emailed the week prior to camp).
